\*A non-professional musician is defined as a person whose principal means of livelihood is not obtained from the performance of music in the particular category in which he or she is competing. This stipulation does not, however, preclude such a person having occasionally received remuneration for musical services rendered, even in the area in which he or she is competing. The competitor's signature is required on a national entry form confirming non-professional status. It is recommended that Local Festivals also have competitors verify, by signature, their non-professional status.

\*\*Competitors 14 years and under [at the time of the National Music Festival] must be accompanied by a parent/guardian.

7. Competitors are prohibited from contact with the adjudicators until competitions are completed.
