RESPONSIBILITIES OF LOCAL FESTIVALS: ENTRIES TO THE PROVINCIAL FESTIVAL

It is the responsibility of each local Festival committee to ensure that all entry requirements are met prior to submitting entries. It is not possible for the Provincial Association to check entries nor to be responsible for their accuracy and appropriateness, therefore, it is imperative that the local Festival be scrupulous in ensuring that all entries are correct and that they comply with the entry rules for that particular discipline and in accordance with the 2009 - 2010 Official Syllabus. Failure to do so may lead to disqualification of the competitor.

Unauthorized copies of copyrighted material are not permitted. Local Festivals must also ensure that their competitors will provide sufficient original scores/scripts for use at the Provincial Festival or have appropriate authorizations for copies.

NOTE:

**IT IS THE RESPONSIBILITY OF THE LOCAL FESTIVAL COMMITTEE
TO ENSURE THAT EACH OF ITS RECOMMENDED COMPETITORS HAS READ
AND FULLY UNDERSTANDS THE RULES & REGULATIONS CONTAINED HEREIN**

GENERAL RULES

**FOR PROVINCIAL LEVEL COMPETITIONS
(ALSO KNOWN AS THE "PROVINCIAL FESTIVAL")**

WORKING MANAGEMENT

Competitions are produced under the general administration and management of the Performing Arts BC Board of Directors and coordinated by the Provincial Executive Director. Any questions not dealt with in these rules shall be referred to the PERFORMING ARTS BC Board of Directors in writing: the decision of the Board shall be final.

The decision of the Board of Directors on all matters pertaining to the interpretation of the rules and administrative procedures is final.

ELIGIBILITY

1. All competitions are for amateurs only. The term amateur shall mean "one whose principal livelihood is not derived from musical, theatre, or dance services". This condition does not apply to those bona fide students of the performing arts who teach for the purpose of applying the money so earned for furtherance of their education, and does not preclude occasional remuneration received for services rendered in the arts.
2. Only those competitors of solo music, dance and speech arts classes and instrumental chamber group classes receiving an adjudicator's recommendation at the local Festival level may enter the Provincial Level Competitions, and must compete in the category so recommended.
3. **Age of competitors is determined as of December 31st before the upcoming Provincial Festival.**
4. Immediately following the local Festival, a member-festival may submit one recommended competitor only for a provincial-level class upon adjudicator's recommendation. However, single-discipline (dance and speech arts only) member festivals have the option of sending two recommended competitors in each level.
5. Local secretaries should check the Provincial Office registration site for an update on recommended competitors to date. As a courtesy, member festivals may advise neighbouring festivals of all competitors who have accepted a recommendation for the Provincial Festival. Once a competitor has accepted the Provincial recommendation, he/she is not eligible for Provincial recommendations at any other Festival (with the possible exception of chamber group competitors).
6. To avoid controversy, the selection of competitors must be the sole responsibility of the adjudicators.
7. In order to be considered for recommendation by the adjudicators, a competitor must have performed in at least two solo classes in the same discipline at a local Festival and have received a mark of 85 or over. A possible exception (to two solo classes) is in the Chamber Group section.

8. Competitors should represent local Festivals serving the geographic area where they live or study. However, if there is no recommended competitor from the geographic area, adjudicators may recommend from outside this area unless prohibited by local Festival rules.
9. Competitors who have won a PERFORMING ARTS BC Provincial class cannot again be recommended for Provincial level in the same class but may subsequently receive the adjudicator's recommendation to compete at a higher level. Non-winners at the Provincial Finals may continue to enter the same class as long as all requirements are met. NOTE: Please refer to the National Syllabus for rules that apply to National classes.
10. Other than the exceptions listed under the Music Division General Regulations and Guidelines, no competitor may be recommended/performed in more than one class at the Provincial Festival.

ENTRIES

11. Immediately following each local Festival, the local Festival's Provincial Contact must collect the required information from each recommended competitor and enter this into the Provincial database within two (2) weeks and no later than ten (10) days prior to the Provincial Festival. All deadlines, requirements and guidelines of the Provincial Association must be complied with.
12. It is now up to each competitor to return the waiver that is attached to the registration confirmation to the Provincial Office, along with payment. This must be received by the Provincial Office within two (2) weeks of receiving the email. Where the Provincial Festival entry fees are paid by the local festival, the performer must still return the signed waiver form as soon as possible. The local festival office is then responsible for assuring that payment reaches the Provincial Office as soon as possible after the completion of the local festival. Cheques must be made payable to PERFORMING ARTS. **Entry fees are non-refundable.**
13. Competitors must perform the selection(s) listed on their entry form. The order of performance is their own choice with the exception of Dance and Speech & Dramatic Arts. One of the selections must be the qualifying performance from the local festival. Selection changes at the Provincial Festival will be disqualified.
14. In order to facilitate accurate programming, entry forms must indicate the exact length of performance time of each selection.

PROGRAMME

15. A tentative schedule of classes will be established in early spring. **Check the web site frequently for revisions.** As there are many considerations in developing a schedule and the order of performance, special requests cannot normally be granted, although the office will attempt to be as reasonable as possible, especially concerning accompanists in the Music Division. Only the PABC Board of Directors and/or Executive Director may alter the order of performance during the Festival.
16. Competitors must be at the performance venue at least 15 minutes prior to class or performance commencement. Music, scripts and CD's must be handed in prior to the commencement of the class: competitors must be prepared to perform when so requested and shall not commence the performance until introduced. Competitors must be present for the remainder of the class as well as for adjudications and announcement sessions of their category. It is a courtesy and to be encouraged for the competitor to be present for the entire session.

COMPETITION AND ADJUDICATION PROCESS

17. All copyrights regarding music and printed text must be observed. Photocopies or manual copies of copyrighted material will not be accepted. **COMPETITORS ATTEMPTING TO USE UNAUTHORIZED COPIES OF COPYRIGHTED MATERIAL WILL BE DISQUALIFIED.** However the Federation of Canadian Music Festivals has now deemed it permissible to use photocopies for page turns etc. **AS LONG AS THE ORIGINAL COPY IS PRESENT AT THE PERFORMANCE.** This does not mean that the adjudicator has the original and the performer the photocopy. There must be 2 original copies present in the competition hall.

18. Time limits: All selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits will be belled; failure to cease performing at the sound of the bell will result in disqualification.
19. Competition venues (other than warm-up rooms) and pianos may not be used for rehearsal/practice/performance of any kind prior to competition.
20. Stage deportment may be considered by the adjudicator as part of the overall evaluation. Competitors are expected to dress in concert style.
21. **A competitor may not perform any selection he/she has previously won with in Provincial competition.**
22. The performance of Canadian material is strongly encouraged. The Canadian Music Centre may be contacted for music and information.
23. Communication with the adjudicator on the part of competitors, teachers, coaches, or parents prior to competition and the presentation of awards is absolutely forbidden.
24. Concert etiquette is expected. NO videos, audio recordings or photographs may be taken during competition, adjudications, workshops, etc. Cell phones must be turned off within the performance venue. PERFORMING ARTS BC reserves the right to take official photographs at appropriate times for archival and publicity purposes.
25. There shall be only one winner per class in all Divisions.
26. Winners of classes may be invited to perform at the Provincial Finals Concert, or at other concerts which may be arranged.

AWARDS

27. All competitors are expected to attend their class Adjudications and/or Workshops and the Provincial Concerts for the announcement of winners, runners-up, and presentation of certificates and awards. Appropriate concert dress is required.
28. Cash prizes, tuition awards and gift certificates may be available, to be awarded at the discretion of the adjudicators, as outlined by scholarship donors. Adjudicators' decisions are final with respect to the choice of award recipients. Competitors may be asked in advance to advise which tuition PABC scholarships they would be able to accept. The adjudicator's decision in all matters of adjudication, including the choice of award recipients, is final.

COMPLAINTS AND PROTESTS

29. Complaints and protests must be made in writing and directed to the PERFORMING ARTS BC Board of Directors together with a protest fee of \$25.00 immediately after the class or action. If the protest is upheld, the fee will be refunded. The decision of the Board with respect to complaints and/or protests is final.

DISQUALIFICATION

30. The Association does not wish to disqualify any performer, and sincerely advises all local Festival officers, competitors, parents, teachers and coaches, to abide by the Regulations and class descriptions herein and to abide by the spirit of the Provincial Festival so that infractions do not occur.

**IT IS THE RESPONSIBILITY OF EACH PARTICIPANT TO READ AND COMPLY
WITH ALL RULES GOVERNING THE PROVINCIAL AND NATIONAL FESTIVALS**

MUSIC DIVISION GENERAL REGULATIONS AND GUIDELINES OFFICIAL 2009 - 2010 SYLLABUS

REPERTOIRE

1. The Syllabi published by the major examination bodies, including the Royal Conservatory (Toronto), Conservatory Canada, Trinity College, Mount Royal College, etc., are suggested for grade level guidance in entering local and provincial festivals in Music.
2. Concertos or movements from concertos are NOT PERMITTED in Junior or Intermediate Piano classes, nor in any Canadian Piano Classes as the Association cannot guarantee the provision of two pianos for these classes. They are permitted in all other disciplines.

For the purpose of this Festival, in the Music Division, a Concerto or a Concerted Work is defined as any composition originally written for solo instrument with orchestral accompaniment.

3. For the purpose of this Festival, in the Music Division, two or more movements of a sonata, suite, etc. are permissible as one selection provided another contrasting work can be performed within the time limit.
4. The performance of Canadian material is strongly encouraged. The Canadian Music Centre may be contacted for music and information.
5. **OPTIONAL, PARALLEL CANADIAN CLASSES** - These are optional classes for pianists and will be judged on this category's merits alone. Participants may not enter Canadian classes only, but MUST first be recommended in Provincial Piano Classes Junior, Intermediate, Senior or National Class 2: such recommended competitors may choose to enter the Canadian class at the same level i.e. Canadian class recommendation from the local adjudicator is not required. The Canadian selection in these optional classes need not have been performed in the local festival. Competitors may perform Canadian selections in their recommended class as well as in the optional Canadian class; however, they may not perform the same selection in both classes.

OPTIONAL, PARALLEL VOCAL VARIETY CLASSES – These are optional classes for vocalists and will be judged on this category's merits alone. Participants may not enter Vocal Variety classes only, but MUST first be recommended by the local Festival's adjudicator either in Classical Voice or Musical Theatre; the student may then choose to enter the Vocal Variety Class at the same level as well. Participants recommended in Classical Voice or Musical Theatre may choose to perform one selection from light opera, operetta, Gilbert and Sullivan, Revues, cabarets, and works of that genre in the parallel (i.e. same level) Vocal Variety Class. The selection in these optional classes need not have been performed in the local festival, however, care should be taken in the choice of selection for the Provincial Festival. No musical theatre selections nor contemporary pop selections are permitted in these Variety classes.

6. The instrument of accompaniment in the Music Division shall (normally) be the piano, which will be provided. Accompaniments for concerted works shall be the piano.

ELIGIBILITY

7. Other than the exceptions listed below, no competitor may be recommended/performed in more than one class at the Provincial Festival. Please note that there is a separate entry form and entry fee for these optional classes.

Exceptions:

- a) The optional Canadian Music classes in the Piano division permit competitors who have been recommended to compete at the Provincial level in a junior, intermediate, senior or national Piano Class to perform as well in the "parallel" Canadian class.
- b) The optional Vocal Variety classes in the Voice division permit competitors who have been recommended to compete at the Provincial level in a junior, intermediate, senior or national Classical Voice or Musical Theatre Class to perform as well in the "parallel" Vocal Variety class.
- c) Individual members of a recommended Chamber Group who compete in their Chamber Group class at the Provincial level may also accept recommendation from the same or a different local Festival to perform as a soloist in no more than one solo music class (for exceptions, see (d) and (e)).
- d) A Chamber Group participant may also accept recommendation from the same or a different Festival to perform as a piano soloist: the participant may then also choose to enter the parallel Canadian Piano Music class. A Chamber Group participant may also accept recommendation from the same or a different local Festival to perform as a vocal soloist in either Classical Voice or Musical Theatre: the participant may then also choose to enter the new parallel Vocal Variety class.
- e) As well, to encourage more participation in Chamber Group classes, particularly in festivals/ regions where fewer performers of the same age and capability may be found, any individual chamber group member may become a "double-entry" performer by competing in two chamber groups at the Provincial Festival, representing one or two local Festivals, but only upon receiving permission through special application to the Executive Director of PABC. Application must be made in writing prior to submission of Provincial Entry Forms. However, only ONE performer in each group may be a "double-entry" performer.

COMPETITION AND ADJUDICATION PROCESS

8. Each competitor must submit an original copy/score/script of the music selections to the adjudicator's secretary prior to the class in which he/she is to perform. Competitors must number the first bar of each line in their score(s).
9. All copyrights regarding music and printed text must be observed. Photocopies or manual copies of copyrighted material will not be accepted. Note: In music classes, the accompanist must perform from an original score and the adjudicator must be given a complete original score of music under copyright. If original scores are not available, a letter is required from the publisher giving permission for copying. If the selection is generally considered to be in the public domain, a letter confirming this fact is required from the publisher along with permission to copy. The use of music downloaded from the Internet is permissible as long as it is accompanied by receipts for the number of copies downloaded. In the event that membership in a site provides free use of the material downloaded, proof of membership must be provided. Competitors attempting to use unauthorized copies of copyrighted material will be disqualified. Also see Rule #17, General Rules and Regulations

TIME LIMITS

10. All selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits will be belled; failure to cease performing at the sound of the bell will result in disqualification. Timing shall "begin with the first note and extend to the final note", but shall not include any necessary tuning between selections, verbal introductions (see class descriptions for more information), nor applause. **Timing includes the accompanist's introduction.** Competitors are requested to take a minimum amount of time between selections, and to continue with the subsequent selections without waiting for the adjudicator's "nod" i.e. to perform in "concert style", unless otherwise advised.

AWARDS

11. Winners and Runners-up will be announced at the final Adjudications/Announcements for each class in the Music Divisions

NATIONAL CLASSES

12. All Winners of Provincial-level National Classes must perform at the National Winners Concert at the Provincial Festival in order to accept the nomination.
13. It is the responsibility of each competitor to read and comply with the rules and regulations governing The National Music Festival as set out in their Official Regulations and Syllabus. In case of discrepancy between National Class information contained in this Syllabus and in the Federation of Canadian Music Festivals' National Syllabus, the FCMF's National Music Festival Syllabus shall prevail, unless otherwise notified.

REPERTOIRE

1. The Syllabi published by the major examination bodies, including the Royal Conservatory (Toronto), Conservatory Canada, Trinity College, Mount Royal College, etc., are suggested for grade level guidance in entering local and provincial festivals in Speech Arts.
2. **OPTIONAL, PARALLEL SHAKESPEARE CLASSES** – These are optional classes for Speech and Dramatic Arts competitors and will be judged on this category's merits alone. Participants may not enter the optional Shakespeare classes only, but **MUST** first be recommended in Provincial Junior, Intermediate or Senior Speech Arts classes: such recommended competitors may choose to enter the Shakespeare class at the same level i.e. Shakespeare class recommendation from the local adjudicator is not required. The Shakespeare selection in these optional classes need not have been performed in the local festival. Competitors may perform Shakespeare selections in their recommended class as well as in the optional Shakespeare class; however, they may not perform the same selection in both classes.
3. One of the selections must have been performed at the local level.
4. In all levels, performers must verbally introduce the dramatic selection in order to “set the scene” – these remarks are not included in the timing of the selection.
5. Competitors must be of accepted ages as of December 31st before the upcoming Provincial Festival. Competitors may not be younger than 11 years of age.

COMPETITION AND ADJUDICATION PROCESS

6. Each competitor must submit an original copy/score/script of the speech arts selections to the adjudicator's secretary prior to the class in which he/she is to perform.
7. The Title, Author, Publisher and name of the publication from which the selection is taken must be specified on the entry form - please be legible. Each competitor must submit an original copy of his or her speech arts selections to the adjudicator's secretary at least 15 minutes prior to the commencement of the class in which he or she is to perform. The selected material must be indicated clearly, noting the page, starting and finishing lines. The use of photocopied material is prohibited unless approved through CanCopy or a publisher's letter. **In addition to the original copy of the work, competitors must provide a typewritten copy of their script, as a courtesy to the adjudicator. Such copies shall be destroyed following the class.**
8. All selections must be memorized.
9. In all Speech and Dramatic Arts classes, competitors are required to perform each selection separately in its appropriate category.
10. Winners and Runners-up will be announced at the final Adjudications/Announcements for each class in the Speech Arts Divisions.

TIME LIMITS

11. All selections must be accurately timed and stated on the entry form. Competitors exceeding the stated time limits will be belled; failure to cease performing at the sound of the bell will result in disqualification. In the Speech Arts Division, timing shall "begin with the first word or stage movement and extend to the final word or stage movement", but shall not include announcement of the title/author, nor the verbal introduction (see class descriptions for more information), nor applause.

DEFINITIONS

The following definitions have been established as guidelines for competitors at the Provincial level:

Prose: In prose the speaker is the narrator. The focus should be on the voice. Vocal characterization is encouraged but the quality of prose must

be maintained. The selection should include narration, description and dialogue. It should be spoken in the story-telling style, but should not be performed as a dramatic scene, i.e. there is to be no acting.

Competitors may stand or be seated.

Drama: In drama the speaker is the character. The selection should be taken from a published play written for two or more characters, intended to be presented on the stage by an actor assuming language, movement and dress of the character portrayed. The selection should be the words of one character only with words of other characters omitted. Shakespeare selections must be taken from his plays rather than his non-dramatic poetry. Stand alone monologues (not from longer plays) are unacceptable as drama.

Poetry: In poetry the language is moulded into some kind of design; in prose it is not. Speakers may choose to perform either lyric or narrative/dramatic poetry.

- **Lyric** - a short unified poem expressing the poet's own experience and emotion to be presented in a relaxed stance with no movement. The speaker interprets but should not identify himself/herself with it. (e.g. *Solitude* by Bliss Carman; *To Autumn* by Keats; Sonnets of Shakespeare and Wordsworth.)

- **Narrative** - a poem which tells a story and usually has dialogue: the telling of a story is the primary concern of the speaker (e.g. *Hiding* by Dorothy Aldis; *The King's Breakfast* by A. A. Milne; *The Raven* by E. A. Poe; *The Cattle Thief* by Pauline Johnson).

COSTUMES AND PROPS

Costuming and props are only permitted for the Drama selection and for Shakespeare classes and must be integral to the selection. Competitors should choose material which requires an absolute minimum of props and these should be portable. Competitors must be able to set up their props in a minimum amount of time and without assistance. All props and costumes remain the sole responsibility of the competitor.

Competitors should use good judgment in selections, and suitable dress for their presentations. It is not intended that students use elaborate costumes. Note: no live flame on stage is permitted.
