Technique Classes:

- These are working classes lead by your Adjudicator; scheduled for Monday, Tuesday and Wednesday mornings and/or afternoons, of about 90 minutes in length.

- All classes are compulsory for you to attend.
- Technique and Colleague Classes are not open to the public.

Daily Performance Sessions:

- The Daily Performances provide an opportunity for all dancers to perform their prepared selections. All Dancers must have two dances and will perform one dance in each performance session for their discipline. Please remember that your first dance performed must be the dance that the adjudicator recommended you for from your local festival.
- **You must stay at the performance venue for the entire section that you perform in. Failure to do so will result in disqualification.** The maximum time allowed for each dance is three minutes, 4 minutes for Song and Dance.

Performance Music:

- Music will be submitted before the festival as mp3/mp4/m4a files online. You will receive an email telling you exactly how to do this as the music for each dance will be submitted as a separate file. You should still bring backup music to the festival. Performers are responsible for ensuring that copies of recorded music comply with all copyright restrictions that apply to the source material. Once music is submitted, the order cannot be changed. Please upload music very carefully and follow all the instructions provided. Please note: Neither PABC nor its agents, will assist with uploading music.

Accommodation, venues:

- PABC is strongly recommending that you stay on campus during the festival. A block of single and double rooms has been set aside for Festival participants. Please see the separate Accommodation Information regarding booking these rooms and for further information. Please note that all participants under the age of 19 and staying in residence, must be accompanied by an adult.
